THE GAMES

Are you ready for the *challenge?*

No experience necessary. Whether your team are feeling competitive or just want a great festive laugh, every activity is designed to bring you together this Christmas.

Mini Golf

A 10-hole Enchanted Garden themed course with loop-the-loop classics, a slide hole, and risk-and-reward challenges.

Electric Darts

Battle through eleven different interactive games. No experience needed - anybody can play, everybody gets competitive.

Duckpin Bowling

Smaller bowls and pins meet bigger energy. Every strike feels twice as sweet. Step up, take aim and let Duckpin Bowling bring out your competitive side.

Clay Shot

We've taken the thrill of clay shooting indoors and made it accessible for everyone! Pick up the shotgun, take aim, and go head to head with your group.

Interactive Golf

Set on a single green with a high-resolution LED screen displaying game visuals and live scoring, it transforms the classic game into something fresh and fast.

Electric Boules

A neon-lit twist on traditional boules, featuring LED balls, 3 games and smart lane technology that handles the scoring so you can focus on the fun.

Shuffleboard

Slide your puck into the scoring zones, block your rivals, and enjoy a game where precision and flair go hand in hand. Shuffleboard is easy to pick up and endlessly competitive.
